# PrimeXBT Margin Bonus Promotion Terms & Conditions

## Introduction

These Margin Bonus Promotion Terms & Conditions (the “Promotion Terms”), shall apply and govern the Margin Bonus Promotion (henceforth the “Promotion”) offered to new (additional eligibility conditions apply) and/or existing Clients (the “Client(s)”, “you”, “your”) of PrimeXBT Trading Services Ltd, a company incorporated and existing under the laws of Saint Lucia, with Registration No. 2024-00343, having its registered office address at Top Floor, Rodney Court Building, Rodney Bay, Gros Islet, Saint Lucia, (hereinafter referred to as “PrimeXBT”, the “Company”, “we”, “us”, “our”, as appropriate);

Your participation in the Promotion shall equate to your full and unequivocal acceptance of these Terms, the General PrimeXBT Terms & Conditions that govern the relationship between the Company and all of its Clients, and all relevant Policies (collectively referred to herein as the “Terms”), the latest versions thereof being available at all times on the PrimeXBT Website, as amended from time to time.

Any term or expression that is defined in the General PrimeXBT Terms & Conditions and used, but not expressly defined, in these Promotion Terms shall, whether capitalised or not, have the meaning assigned to it in the General PrimeXBT Terms & Conditions.

The Client acknowledges and agrees that the availability of certain products, platforms, bonuses, competitions, contests, promotions, campaigns and services may be restricted or unavailable in certain jurisdictions, subject to the Company's sole discretion.

**Risk Warning:** Leveraged trading in foreign currency contracts or other off-exchange products on margin carries a high level of risk and may not be suitable for everyone. We advise you to carefully consider whether trading is appropriate for you in light of your personal circumstances. You may lose more than you invest. Information on this website is general in nature. We recommend that you seek independent financial advice and ensure you fully understand the risks involved before trading. Trading through an online platform carries additional risks. Refer to our website’s legal section.

The Margin Bonus does not form part of the Client’s Trading Account Balance or Own Funds and cannot be withdrawn or used to absorb trading losses, fees, charges or commissions. The Client must have Own Funds in the Trading Account to trade using the additional collateral provided by the Bonus. While the Bonus is active, negative balance protection does not apply and open positions may be liquidated if the Trading Account Equity falls below the amount of the then-current Bonus, including where Available Margin remains positive.

**Participation Eligibility**

1. PrimeXBT offers its Clients the opportunity to receive a Bonus, by depositing the pre-requisite amount to qualify for each promotion, as available from time to time.

2. To be eligible for the Promotion, Clients must:

2.1. Be successfully registered with a valid Client Account on the PrimeXBT trading platform.

2.2. The Client Account must be in good standing.

2.3. Deposit the pre-requisite amount to qualify for each promotion, within the timeframe of the promotion’s availability.

3. Employees of PrimeXBT or any other affiliated company and their immediate family members shall not be eligible to participate in any Promotion, and are thus expressly excluded. Additionally, employees of any partners and agencies involved in the organization or conduct of the Promotion, as determined by PrimeXBT, shall not be eligible to participate in Promotions. The Promotion is also not open to employees of

any other company engaged in direct competition with PrimeXBT.

**Credit Bonus**

4. The Bonus shall be reflected as a “Reward” in the Trading Account on which it has been activated. For the purposes of these Promotion Terms, the terms “Margin Bonus”, “Bonus”, “Credit” and “Reward” shall be used interchangeably.

4.1. “Own Funds” means the Client’s Trading Account Balance, excluding the Bonus. Realised profit or loss, once settled and booked to the Trading Account Balance, forms part of and increases or decreases the Client’s Own Funds, as applicable.

4.2. The Bonus is not a deposit or cash balance, has no independent monetary value, does not form part of the Client’s Own Funds and cannot be withdrawn, exchanged for cash or transferred.

5. Depending on the specific Promotion campaign rules, the Bonus shall be provided for either the first deposit or for every deposit made to the Trading Account where the promotion is activated, throughout the promotion period until the end of the promotion campaign.

6. For first deposit bonus promotions, there shall be a minimum deposit amount. Specific promotion campaign rules shall apply (as published). If the first deposit to a Trading Account, following the activation of the promotion, is below the minimum required deposit amount, then the promotion code shall be void and no bonus will be granted on the first or any subsequent deposit.

7. The Bonus may be included in the relevant Trading Account’s Equity solely as additional collateral for the purpose of calculating the Client’s ability to open positions on the PrimeXBT Trading Platform. The Bonus does not form part of the Trading Account Balance or the Client’s Own Funds and cannot be used to pay, absorb or settle any realised or unrealised trading loss, fee, charge, commission or other amount payable by the Client. The Client must have Own Funds in the Trading Account to open positions using the additional collateral provided by the Bonus. The availability or display of the Bonus does not guarantee that the Client will be able to open or maintain

any position, and all applicable margin requirements, liquidation rules, instrument conditions and platform limitations shall continue to apply.

8. The Bonus cannot be withdrawn from the Trading Account. Any profit derived from the investment of the credited Bonus can be withdrawn by the Client. Once such profit is settled and booked to the Trading Account Balance, it shall be treated as part of the Client's Own Funds for the purposes of this clause. However, any withdrawal of the Client's Own Funds from the Trading Account shall proportionally reduce the Bonus then remaining. The proportion of the Bonus removed shall be equal to the proportion of the Client's own funds withdrawn. For example, if the Client withdraws ten per cent (10%) of the Client's own funds, ten per cent (10%) of the then-current Bonus shall be removed.

9. The Bonus is non-transferable. No Bonus transfer, assignment, or substitution by any Client to any other Trading Account is allowed.

10. If any restrictions apply to the Client's Account, the account will not qualify for a Bonus until the restrictions have been lifted. The participating Client's Account must not be closed or suspended in order for a Bonus to be credited to their relevant Trading Account.

11. Trade fees, overnight financing charges and settled P&L shall not affect nor be deducted from the Bonus amount and shall instead be charged or booked directly to the Clients' Trading Account Balance.

12. The Bonus shall not be used to cover or settle any deficit or negative Balance in the Trading Account.

12.1. Negative balance protection does not apply to a Trading Account while the Bonus is active.

12.2. The Client must ensure that the Trading Account Equity does not fall below the amount of the then-current Bonus. Where unrealised losses exceed the Client's Own Funds and cause the Equity to fall below the Bonus, the Client's open positions may be liquidated in accordance with the applicable platform rules.

12.3. Liquidation under this clause may occur even if Available Margin remains positive or the Trading Account has not reached the ordinary margin or stop-out threshold that would otherwise apply in the absence of the Bonus.

12.4. The Bonus shall not be applied to restore the Trading Account Balance to zero. Any negative Balance remaining following liquidation or a stop-out shall be treated in accordance with the General PrimeXBT Terms & Conditions and the applicable platform rules.

12.5. The Client must, independently of the foregoing mechanism, maintain sufficient Own Funds and Margin Level to keep open positions in accordance with the applicable margin requirements and stop-out rules. The existence of the Bonus or positive Available Margin shall not prevent the liquidation of open positions where the applicable requirements are not maintained.

12.6. While the Bonus is active, if the Trading Account Equity falls to or below the amount of the current Bonus, then, the Bonus shall be removed.

13. Any Bonus credited to a Trading Account shall have an expiration date. Upon expiry, any remaining Bonus shall be removed from the relevant Trading Account.

14. Removal of any credited Bonus from any Account may decrease that Account's Equity and may lead to insufficient margin to maintain open positions. Such positions shall therefore be liquidated. Each Client shall be responsible to maintain sufficient margin levels to maintain their open positions and avoid their involuntary closures.

15. PrimeXBT shall not be liable for any losses that may be incurred as a result of trading, including trading with the Bonus.

16. This Promotion must only be used for personal and non-commercial purposes.

17. PrimeXBT reserves the right, at its discretion, to provide the Bonus in any currency and not necessarily in the same currency as the Client's Deposit. Each Client who

voluntarily participates in this Promotion shall be responsible for any and all taxes payable (if any) as a result of the deposit of the Bonus to their Trading Account, or from any profits derived from the use of the Bonus, and therefore all Clients should consult their tax advisers concerning the reporting of any profits resulting from the participation in the Promotion.

18. If PrimeXBT subsequently discovers that a participant is not eligible to participate in the Promotion, PrimeXBT may then at its discretion reverse and withdraw the Bonus credit. No individual shall be entitled to any payment or compensation from PrimeXBT should any account credit be forfeited or reclaimed.

19. In the event that any Client Deposit is cancelled, clawed or charged back, returned from the bank for insufficient funds, fraud, or any other reason, the Client will become ineligible for a Bonus, and PrimeXBT has the right to reclaim and withdraw all or any portion of a Bonus credited to any Account under this Promotion.

**Limitations**

20. The Promotion cannot be used in conjunction with any other rebate, commission reduction, promotion, or similar scheme offered by PrimeXBT.

21. The Promotion is limited to one Client Account per person. Multiple accounts from the same household may be barred from the Promotion. The promotion may apply to multiple Trading Accounts per Client.

22. Joint accounts or accounts with a Power of Attorney in force will not be eligible for the Promotion.

23. Only natural persons with full legal capacity and who are over eighteen (18) years of age are eligible for this Promotion.

24. Each Promotion’s expiry date and specific terms shall be made available to the public through the PrimeXBT Website or relevant Marketing campaigns.

25. PrimeXBT reserves the right to deny participation to the Promotion or terminate a

Client's participation in the Promotion if it reasonably believes that there has been cooperation, collusion, or organization of trades and market manipulation, or if it believes in its discretion, that the Promotion is being abused by the terminated participant in any way.

**General Terms**

26. By submitting their details and particulars to this Promotion, Clients consent to PrimeXBT using or sharing such information for the Marketing efforts of PrimeXBT, its Affiliates and/or its Partners or Sponsors. Participating Clients must inform PrimeXBT if they do not wish to receive such information by contacting PrimeXBT's Customer Service Team.

27. Clients acknowledge that PrimeXBT shall not be liable for any claims, costs, expenses, losses, or damages suffered by any person as a result of engaging with the Promotion, the Promotion's Terms.

28. PrimeXBT shall not be liable to any Client, or any other person, for any loss, tax liability, or damage arising in connection with the Promotion and the Credit Bonus, including any error, technical malfunction of the World-Wide Web (internet) or the PrimeXBT Website or Trading Platform, or any breakdown or malfunctions in any computer system, mobile application, downloadable software, or equipment, including that of the Client.

29. The decision of PrimeXBT on all matters relating to the Promotion shall be final and binding on all participants. PrimeXBT reserves the right to cancel, revoke, or withdraw the Promotion and/or withdraw any credited bonuses to any Trading Account at any time and without the obligation to provide any reasons or explanations.

30. Clients acknowledge that PrimeXBT may, at any time in its sole and absolute discretion, without notice, terminate this Promotion, or delete, vary, supplement, amend, restrict, withdraw, or modify any one or more of the Terms in such manner as PrimeXBT shall think fit, including without limitation, the eligibility of any Client, the bases and methods of identification of participating Clients, and any dates in connection with the Promotion and the Promotion period/duration.

31. Any dispute not covered by the Promotion Terms will be resolved by PrimeXBT in a manner it deems to be the fairest to all concerned, and that decision shall be final and binding on all parties.

32. These Terms are governed by the laws of Saint Lucia.

33. If any term of the Promotion Terms is found to be illegal, invalid, or unenforceable under any applicable law, such term shall be severable from the remaining terms, and the remainder of the Promotion Terms shall remain valid and binding as if the severed term had never been included.

34. If these Promotion Terms are translated into a language other than English, then the English version of the Promotion Terms shall prevail wherever any inconsistency arises.

35. These Terms and Conditions are subject to change at PrimeXBT's discretion, and its decision is final. PrimeXBT is the sole arbiter of these Promotion Terms and any other issue arising under this Promotion.

**36. Jurisdiction and Dispute Resolution**

36.1. This clause applies only to clients who, during the registration and onboarding process, established a dual legal relationship with more than one entity.

36.2. Clients acknowledge and agree that, where a dual legal relationship has been established, the products and services are separated by entity and the applicable governing law and jurisdiction shall be determined by reference to the relevant entity providing the specific product or service, as set out during onboarding/ registration.
